

PRICE LIST FOR HUOLETON AND
TARKKA SUBSCRIPTIONS,
1 DECEMBER 2017

Huoleton subscriptions

The monthly fee of Huoleton subscriptions includes normally priced calls, text messages, multimedia messages and video calls in Finland, and unlimited data transfers in Elisa's network in Finland at the selected speed. The monthly fee does not include calls or messages to service, corporate or international numbers. The Huoleton Premium and Huoleton Premium+ subscriptions can be used in other EU and EEA countries at the prices valid in Finland.* The subscription is not available for companies or professional use.

Subscription type	Calls and messages	Mobile broadband, max. downstream speed	Monthly fee	Use in EU and EEA countries
Huoleton Premium+	Unlimited	300 Mbit/s, unlimited	€39.90 per month	Prices valid in Finland apply**
Huoleton Premium	Unlimited	200 Mbit/s, unlimited	€34.90 per month	Prices valid in Finland apply*
Huoleton 4G	Unlimited	50 Mbit/s, unlimited	€29.90 per month	Separate roaming charge
Huoleton 1M	Unlimited	1 Mbit/s, unlimited	€24.90 per month	Separate roaming charge
Huoleton Puhe	Unlimited	No mobile broadband	€19.90 per month	Separate roaming charge

* With the Huoleton Premium subscription, the use of data is free of charge in the Nordic and Baltic countries (Sweden, Denmark, Norway, Estonia, Latvia and Lithuania). In other EU and EEA countries, the volume of free data in the Huoleton Premium subscription is limited to 10 GB per month. Any data used in excess of the 10 GB limit per month will be charged according to the roaming charges valid at the time. The subscription is not intended for permanent roaming in EU and EEA countries. Elisa's right to intervene in permanent roaming is described in more detail in the special terms and conditions for mobile services for Elisa's consumer customers.

** With the Huoleton Premium+ subscription, the use of data is free of charge in the Nordic and Baltic countries (Sweden, Denmark, Norway, Estonia, Latvia and Lithuania). In other EU and EEA countries, the volume of free data in the Huoleton Premium+ subscription is limited to 15 GB per month. Any data used in excess of the 15 GB limit per month will be charged according to the roaming charges valid at the time. The subscription is not intended for permanent roaming in EU and EEA countries. Elisa's right to intervene in permanent roaming is described in more detail in the special terms and conditions for mobile services for Elisa's consumer customers.

The estimated data transfer rates of mobile broadband services are listed by network technology in Elisa's service description of Saunalahti mobile broadband services.

For calls and messages not included in the Huoleton subscription package, charges of €0.09 per minute for mobile calls and €0.09 per message will be imposed. Any calls not included in the package will always be invoiced to the nearest minute.

Tarkka subscriptions

In Tarkka subscriptions, calls and messages are charged according to actual use. The monthly fee includes unlimited data transfer in Elisa's network in Finland at the selected speed. The Tarkka Premium and Tarkka Premium+ subscriptions can be used in other EU and EEA countries at the prices valid in Finland.*

Tarkka Puhe	€0.069 per minute €0.069 per message	No mobile broadband	€4.90 per month	Separate roaming charge

* With the Tarkka Premium subscription, the use of data is free of charge in the Nordic and Baltic countries (Sweden, Denmark, Norway, Estonia, Latvia and Lithuania). In other EU and EEA countries, the volume of free data in the Huelton Premium subscription is limited to 10 GB per month. Any data used in excess of the 10 GB limit per month will be charged according to the roaming charges valid at the time. The subscription is not intended for permanent roaming in EU and EEA countries. Elisa's right to intervene in permanent roaming is described in more detail in the special terms and conditions for mobile services for Elisa's consumer customers.

** With the Tarkka Premium+ subscription, the use of data is free of charge in the Nordic and Baltic countries (Sweden, Denmark, Norway, Estonia, Latvia and Lithuania). In other EU and EEA countries, the volume of free data in the Huelton Premium+ subscription is limited to 15 GB per month. Any data used in excess of the 15 GB limit per month will be charged according to the roaming charges valid at the time. The subscription is not intended for permanent roaming in EU and EEA countries. Elisa's right to intervene in permanent roaming is described in more detail in the special terms and conditions for mobile services for Elisa's consumer customers.

The estimated data transfer rates of mobile broadband services are listed by network technology in Elisa's service description of Saunalahdi mobile broadband services.

Tarkka subscriptions are charged to the nearest minute. Call and message prices of Tarkka subscriptions apply to normally priced numbers in Finland. Call prices also apply to video calls, and message prices apply to text and multimedia messages. The mobile call charge for Tarkka subscriptions is €0.09 per minute.

OTHER PRICES OF HUOLETON AND TARKKA SUBSCRIPTIONS

Calls and messages to service and corporate numbers and other separately priced numbers

The mobile call charge and any additional charge defined by the service provider will be charged for calls to service and corporate numbers and other separately priced numbers. Prices defined by the service provider will be charged for service messages.

International calls and messages

Calls placed from Finland to an international number	When calling with the + or 00 prefix, international calls are automatically international 991 calls. The currently valid price list for international 991 calls is available at https://elisa.fi/puheliittymat/puhelut-ulkomaille/
Text and multimedia messages sent from Finland to an international number	€0.19 per message
Video calls placed from Finland to an international number	€0.19 per message

Use abroad

The use of the subscription abroad will be charged according to a separate roaming price list. Roaming price lists valid in each country are available at elisa.fi/ulkomailia (in Finnish).

Prices valid in Finland apply to calls and messages from Premium subscriptions from EU and EEA countries to Finland, the country of stay and other EU and EEA countries. Premium subscriptions include unlimited use of data in the Nordic and Baltic countries (Sweden, Norway, Denmark, Estonia, Latvia and Lithuania). In other EU and EEA countries, the monthly fee for Premium subscriptions includes 10 GB of data per calendar month. A calendar month is defined according to Finnish time. Any data used in excess of the limit of 10 GB per month will be charged according to the roaming charges valid at the time.

Prices valid in Finland apply to calls and messages from Premium+ subscriptions from EU and EEA countries to Finland, the country of stay and other EU and EEA countries. Premium+ subscriptions include unlimited use of data in the Nordic and Baltic countries (Sweden, Norway, Denmark, Estonia, Latvia and Lithuania). In other EU and EEA countries, the monthly fee for Premium+ subscriptions includes 15 GB of data per calendar month. A calendar month is defined according to Finnish time. Any data used in excess of the limit of 15 GB per month will be charged according to the roaming charges valid at the time.
